**RESPONSE TO REQUIREMENT FOR RESTRICTION**

Assistant Commissioner for Patents  
Washington, D.C. 20231

Sir:

This is in response to the Restriction Requirement dated May 21, 1999. The Examiner therein required election of one of the following groups of claims:

Group I, claims 1-13 and 28-30 drawn to a vaccine composition and methods of making that composition; and

Group II, claims 14-27 drawn to methods of immunization using the composition.

Applicants hereby elect to prosecute the claims of Group I, claims 1-13 and 28-30, without traverse. Applicants expressly reserve their right under 35 USC §121 to file one or more divisional applications directed to the nonelected subject matter during the pendency of this application.

In response to the species election requirement, applicants elect the composition comprising HCV E2. The elected claims reading on this species are claims 1-5, 8-13 and 28-30. It is to be understood that this election of species is for the purposes of preliminary search and examination only, and that upon allowance of a generic claim, applicants will be entitled to consideration of claims to the additional species.
